

Family activities in summer in See

See in Paznaun offers numerous summer activities specially designed for families. From the Games, Sports and Water Park to exciting hiking trails and treasure hunts, there is plenty for young and old to discover. The highlight is the "Seebis Bärenwelt" on the Medrigalm, a versatile adventure playground with a giant wooden bear and water games. See combines nature experiences with modern leisure activities and thus offers ideal conditions for an active summer holiday for the whole family.

Games, Sports and Water Park

The Games, Sports and Water Park in See is a family-friendly park that offers plenty of variety, especially for children. The large water park is the centre of the park and ideal for hot summer days. Children can splash around here and enjoy the numerous play options. Sports activities are also provided: beach volleyball courts, a tennis court and a football pitch are available. There are also play areas with climbing frames and swings especially for smaller children. The park is an ideal way for families to spend an active and varied day, offering relaxation in the countryside as well as opportunities for sporting activities.

Adventure on the Medrigalm: Seebis Bärenwelt and Medrig Carts

A special experience for families is the "Seebis Bärenwelt" (bear world) on the Medrigalm. This adventure playground offers a unique setting for little adventurers. The six metre high wooden bear is the landmark of the facility and invites children to play and take photos. Around the bear, the playground offers a motor skills course and a balancing route that promote dexterity and coordination. The Warbenturm tower is a particular favourite, offering children a wonderful view of the surrounding area. The pond area with water features rounds off the experience and offers the little ones a safe area to play in the water.

Another highlight at the Medrigalm are the Medrig Carts, special downhill carts that offer an exciting way to cover the route from the Zeinisbahn mountain station to the Medrigalm. The robust vehicles are suitable for all age groups and guarantee thrills in the great outdoors. For families looking for an exciting alternative to the classic hike, the Medrig carts offer an experience that combines fun and action.

Family hikes and treasure hunts

See offers numerous family-friendly hiking trails in its 180-kilometre network of paths. Hiking trails with gentle gradients and well-signposted routes also allow families with smaller children to explore nature and enjoy the mountain world. A particularly popular destination for family hikes is the Ascher Hütte, which can be reached via easy paths from the Medrigalm.

Another summer experience for families is the treasure hunt in Paznaun, where children and parents go on a discovery tour and solve various riddles and tasks to finally find the treasure. This playful tour is ideal for combining nature with adventure and getting to know the surroundings of See in an entertaining way.

The summer offers in See provide families with a mixture of adventure, experiencing nature and learning through play, making it an ideal destination for an active and relaxing summer holiday in Tyrol.

The Alpine Experience in Paznaun

The Alpine Experience offers an extensive weekly programme for families, providing a variety of adventures. Activities such as guided hikes, themed nature experiences and exciting outdoor programmes guarantee special experiences for young and old. All of the Experience Programme items can also be conveniently booked online, which makes planning easier.
